A huge well done to the children who took part in the Dance Festival at the Albert Halls. The children in school really enjoyed your performance the day after.

A huge thank you to Mr. Lord, Miss Truesdale and Miss John for all the hard work and effort that went into preparing the children for the big show.

This week, we have celebrated Neurodiversity Week and yesterday, the children came into school in odd socks to celebrate World Down Syndrome Day which takes place this Saturday. Click [here](#) for more information.

Thank you very much

Thank you for all your donations of Easter eggs today. We are really looking forward to the Easter Bingo next Friday.

Operation Encompass is a national scheme that operates jointly between schools and all police forces.

OPERATION
ENCOMPASS

“ Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience. ”

“ Children who experience domestic abuse are recognised as victims of domestic abuse in their own right! ”

“ We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care. ”

“ Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident. ”

“ This information means that we can understand a child's behaviour and support that child in whatever way they may need or want. ”

“ We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this. ”
