26th September 2025

Attendance and Punctuality

Attendance across school is very positive (above local and national), however, lateness to school in the mornings needs to be addressed. The doors open at 8:45am and children must be in school by 8:55am.

Children who arrive later than 9am are marked as late. Children later than 9:10am are marked absent for the whole morning session.

Year Group	Attendance 15 th – 25 th	Number of lates 15 th – 25 th

Key Dates

Key dates for this academic year have been sent out to parents/carers via email. Please note that these are subject to change but school will keep you informed.

Please let the office know if you need the dates re-sending.

Snacks

Please only send your child in with a maximum of two snacks per day for KS1 and one snack for KS2. We are finding that some children are spending much of their playtime eating, rather than socialising with their friends. Please remember that we are a NUT FREE SCHOOL and snacks should be a healthy option.

Thank you in advance

Cross Country

This week was the first week of the Bolton Games Cross Country. The girls and boys who took part were amazing and St. John's are currently in 5th place out of all schools in Bolton. Good luck for next week!

Over the past few weeks, we have been trialing children coming straight into school when the bell rings in the morning. The reason for this is to ease congestion on the corridors in school and to ensure children have a calm start to the day. This system has been working really well and will continue. **Please note, children no longer need to line up.**
